

## TAX RATES

In this part you can gain knowledge about the normal tax rates applicable to different taxpayers. For special tax rates applicable to special incomes like long term capital gains, winnings from lottery, etc. refer “Tax Rates” under “Tax Charts & Tables”. The tax rates discussed in this part are applicable for assessment year 2016-17 i.e. financial year 2015-16.

### Normal tax rates applicable to an individual

The normal tax rates applicable to a resident individual will depend on the age of the individual. However, in case of a non-resident individual the tax rates will be same irrespective of his age. For the purpose of ascertainment of the applicable tax slab, an individual can be classified as follows:

- Resident individual below the age of 60 years. i.e. born on or after 1.4.1956
- Resident individual of the age of 60 years or above at any time during the year but below the age of 80 years. (i.e. born during 1-4-1936 to 31-3-1956)
- Resident individual of the age of 80 years or above at any time during the year. i.e. born before 1.4.1936
- Non-resident individual irrespective of the age.
